

## STUDY ABROAD PROGRAM DISMISSAL FORM

There are circumstances under which overseas coordinators and institutions have the authority to require that a student withdraw from a study abroad program. These circumstances include but are not limited to the following:

1. Students whose conduct while on the program is deemed undesirable and whose actions are in violation of **the University of Illinois' Code of Campus Affairs and Regulations**, as applicable to the overseas program, will be dismissed from the program and will be subject to campus disciplinary reviews.
2. Students whose conduct is in violation of the rules and guidelines of the sponsoring overseas institution.
3. Students whose conduct is in violation of regulations set forth by the overseas Resident Director.
4. Students whose conduct is in violation of the foreign country's civil and/or criminal statutes.
5. Situations in which the behavior, whether academic or social, of the student causes his/her presence in the program to jeopardize either the reputation of the program or the participation of others in the program.

Students dismissed from the program for the above reasons will receive no credit for work done, and will be considered as not having completed the program, and will not be entitled to any refund.

I understand that I am subject to dismissal from the study abroad program if I do not abide by the above program rules and regulations. Non-compliance with these rules may result in dismissal from the program. I also hereby agree to abide by the program rules stated above.
